CEO Today Global Awards 2023

CEO Today is pleased to announce that the full list of winners of our 2023 CEO Today Global Awards has been published.

The CEO Today Global Awards are an annual celebration of leadership and ingenuity in the world of business. Each year, the team at CEO Today identifies those leaders who go above and beyond to innovate in their respective fields, who work tirelessly to support their organisations and deliver value for their customers and clients.

Each award's winner is drawn from the top of their field, with the full spectrum of industries and geographical regions represented in this year's edition. Their inspiring achievements and fascinating career trajectories are catalogued in their profiles, with many offering exclusive interviews to shed further light on the secrets of their success.

CEO Today Global Awards Featured Winners

Appearing in the 2023 edition are the likes of Bloober Team CEO Piotr Babieno, whose ambitions for excellence are making waves in the video game industry, and GEO-MIK Consultants CEO Moses Banduga, who outlines his vision for elevating the geospatial landscape in Uganda and the greater Africa region. We also hear from Ariette Van Strien of Marken, Dr Bradley Schlaggar of the Kennedy Krieger Institute and many more success stories besides. It is well worth taking the time to read about each of these winners in their own words, as the insights they have to share are applicable for any who aspire to success in business.
